We invite all lovers of good cattle to be with us on January 22d. We feel that we of the Tri-State Shorthorn Breeders' Assn. have in our five previous sales set up a standard of quality and a source of supply where the breeder or farmer can come to fill his needs in herd bulls or breeding females. We feel that in this our sixth annual sale we have entered cattle of the quality, type and breeding to improve the herds of the Tri-State territory and any other locality into which they may go. We trust you will be with us on sale day.
